

**Join People to People
in helping Rockland kids go
Back to School with Dignity!**

Back to School with Dignity is one of People to People's most powerful programs because it aims to provide essential school supplies to at-risk Rockland students. Simply purchase a few extra school supplies when shopping for your own favorite students and drop them off at People to People's offices.

What kind of supplies?

People to People has plenty of pens, rulers, regular pencils, single subject spiral notebooks and glue sticks.

They REALLY need all of the following:

Compasses

Scissors

Graph Paper

Colored Markers

1' binders

Marble composition books

Dividers

Book Covers

Pencil Cases

Pocket Folders

White Index Cards

5-Subject notebooks

Dictionaries

Hi-lighters

Calculators

Scientific Calculators

3-subject notebooks

People to People works to help our Rockland neighbors through difficult times with dignity. The county's largest food pantry, People to People also offers ESL classes, refurbished computers and other tools that help break the cycle of poverty.
